Members are requested to disclose, in accordance with the Code, both the existence and nature of any “personal” or “prejudicial” interests they may have in relation to matters for consideration on this agenda. Personal Interests: For guidance purposes, a Member should disclose a personal interest if it is anticipated that a decision on it may reasonably be regarded as affecting the well-being or financial position of himself or herself, a member of his/her family or a friend, or a body employing those persons, or for which those persons have any degree of ownership, control or management to a greater extent than other council taxpayers, ratepayers or inhabitants of the authority’s area. Prejudicial Interests: Having identified a personal interest, a Member must consider whether a member of the public with knowledge of the relevant facts would reasonably think that the interest was so significant and particular that it could prejudice that Member’s judgement of the public interest.
